MANJIT CHAKRABORTY

Electronics & Communication Engineer | Autonomous UAVs, Robotics & Embedded Systems
Email: manjitc.info@gmail.com | Phone: +91 6009236698 | Agartala, Tripura, India
Portfolio: GitHub manjit32987 | LinkedIn: linkedin.com/in/manjit-chakraborty-74a467233

SUMMARY

B.Tech in Electronics & Communication Engineering from Tripura Institute of Technology (TIT).
Specialized in Autonomous UAV design, flight avionics, custom PCB fabrication, and embedded firmware.
Proven track record across MeitY TIDE 2.0, NIDAR 2025 (AIR 12), and North East Techathon X5.

EDUCATION

* B.Tech in Electronics & Communication Engineering - Tripura Institute of Technology (2022 - 2026)
* Diploma in Electronics & Telecommunication Engineering - Tripura Institute of Technology (2019 - 2022)

TECHNICAL SKILLS

* Embedded & Hardware: STM32, ESP32, Arduino, ARM Cortex, Analog & Digital Circuitry
* PCB & CAD: KiCAD, Altium Designer, EasyEDA, Gerber fabrication & SMT soldering
* Avionics & Robotics: ArduPilot, PX4 Autopilot, Mission Planner, telemetry, ESCs, BLDC motors
* Software & Protocols: C, C++, Python, UART, SPI, I2C, CAN Bus, Git

KEY PROJECTS & HONORS

* Multifunction Analog Function Generator (Sine, Triangle, Square 10Hz-100kHz)
* Autonomous Fixed-Wing & Quadcopter UAV Avionics Systems
* MeitY TIDE 2.0 Incubation Grant & Research Prototype
* AIR 12 - National Inter-College Drone Competition (NIDAR 2025)
* 21+ Verified Technical & Leadership Certifications
